

Please reserve all "off the rack" mentions for the 12" vinyl records @briggs is pulling for his masterful sets at the contemporary atmosphere of Ysabel or skipping across the 101 to the rustic-chic setting at Tenants of the Trees. Now picture the tastefully-suited Donovan Briggs, LA's own Renaissance man, gracing all beautiful humans in attendance with soulful, hipster and electric vibes. The people expect nothing less from the dynamic

DJ, creative director, music producer and fashion influencer.

"We're going straight from the cut to the tailor, aight!"
Briggs' melodic curation excites the fondest musical connoisseur with rhythmic BPMs and the smoothest transitions, whether it's at The Virgil, Library Bar or Roosevelt Hotel. His taste, creativity and versatility has collaborated with Agenda and UBM Fashion, culminating many years of giving back to the culture.
